

Punt, Pass and Kick USA, INC. | 103 Wisteria Drive, Lafayette, LA 70506 | 337.984.7229

The annual Punt-Pass & Kick Skills Competition has been a staple in America for more than 50 years, presented in association with the NFL. The NFL is no longer involved in the program, so The Punt-Pass-Kick Competition has been operating and administered nationally as a stand-alone non-profit 501c3 since 2017.

Free of participation charge and open to all boys and girls, our organization relies on donations, sponsorship, and volunteers to fund and operate our contest across the country. Funding covers our costs to provide all insurance, field space, marketing, and volunteers to execute our events nationally.

The Punt-Pass-Kick Competition allows boys and girls ages 5 to 14 a way to compete in non-contact Local, Regional, and National competitions, fairly and without regard to their economic status. There is never a fee to participate.

In 2021 we held 65 Local competitions in 28 States, with 39 finalists attending the National Finals in Dallas, in February 2022. We are planning approximately 130 Local competitions in 2022 with January National Finals held in Central Florida.

As we grow our coverage, our expenses grow too. We are looking for National Regional and Local event sponsors to fund our ongoing operations and to continue our goodwill work with the youth and football fans of our country.

Sponsorship packages for events are based on area coverage models and reflect the cost of the size of the event. Participant data files will be provided in CSV file format, and will include Parent (or Guardian) name, Hometown and email address. All payments and donations must be made payable to Punt, Pass and Kick USA, Inc. for donor's information to be tax deductible. Our IRS registered **Tax ID number is 82- 5503147.**

Any help you would consider does make a difference. Please contact us for information on sponsoring Punt, Pass and Kick USA, Inc.

Sincerely,

A handwritten signature in blue ink that reads "Frank Wittenberg".
