Local Host Reimbursement Opportunity

As we grow each year so do our expenses. So, we need your help while trying to help you!

Each Local is now responsible for providing all equipment, awards and needs required to host except for liability insurance which we still provide. However, we are offering you as a Local Host the chance to get reimbursed for some or all of your expenses to host.

If you can help us by acquiring sponsors and donors for PPKUSA, Inc. we can reimburse you for up to 75% of the funds collected through you for approved expenses. You will need to submit receipts for your expenses for our review and reimbursement. We would approve reimbursements for awards, equipment like tape measures and stopwatches, facility rental costs and possibly other expenses. The expenses have to be directly related to your hosting your Local. For example: if you were to acquire \$1000 in funds paid to PPKUSA, Inc. we would be able to reimburse you up to \$750 for approved expenses.

Sponsors you acquire may receive participant data files provided in CSV file format which will include Parent (or Guardian) name, Hometown and email address, if a minimum \$500 threshold is met. All payments and donations must be made payable to Punt, Pass and Kick USA, Inc. for donor's information to be tax deductible. Our IRS registered Tax ID number is 82-5503147.

Sincerely,

Frank Wittenberg, CPRP
